Quest for Peace: Lessons of Conflict Resolution

Il Prof. Gaston Tata della Facoltà di Teologia rappresenta la Pontificia Università Urbaniana al V incontro internazionale World Peace Forum organizzato a Jakarta dal *Central Board di Muhammadiyah* in collaborazione con la *Cheng Ho Multi Culture Trust* della Malaysia, con il supporto del *Centre for Dialogue and Cooperation among Civilisations* (CDCC).

L'importante evento internazionale avrà come focus i seguenti punti chiave:

- Why does conflict resolution matter? To what extent can conflict resolution serve as a basis for establishing long-lasting peace?

- What can we learn from successes and failures of conflict resolution designed and implemented in various parts of the world?

- How can we promote the principles of process and methods of conflict resolution in bringing peace to conflict-torn areas around the world?
